No. MPERC/2022/

Bhopal Dated: 31/03/2022

Highlights of Retail Supply Tariff Order for FY 2022-23 issued on 31st March, 2022

1. In order to bring in more clarity about the likely trajectory of Revenue Requirement of Distribution Licensees over a period of 5 years, the Commission has determined Multi Year ARR **for the first time** covering the Control Period from FY 2022-23 to FY 2026-27.
2. DISCOMs have projected Aggregate Revenue Requirement (ARR) of Rs. 48,874 Crore for FY 2022-23, with a revenue gap of Rs. 3,916 Crore at existing tariff and proposed to recover this gap through a tariff hike of 8.71% on existing tariff.
3. DISCOMs have also submitted true-up Petition for FY 2020-21, claiming revenue gap of Rs. 4,982 Crore. However, after prudence check, the Commission has allowed revenue gap of Rs. 226 Crore.
4. The Commission has determined ARR of Rs. 45,971 Crore for FY 2022-23, which also includes claims allowed for true-up of FY 2020-21 and allowed a total revenue gap of Rs. 1,181 Crore at existing tariff to be met by increasing the tariff by only 2.64%.
5. The Commission has determined Green Energy Tariff of Rs. 1.13/ kWh **for the first time**, which is an optional tariff and will be over and above the normal tariff of respective category as per Tariff Order for FY 2022-23. This will fulfil requirement of the consumers who want to meet their contracted demand from Licensee, entirely (100%) through Renewable Energy.
6. Tariff for Low Voltage Industrial category of consumers (LV-4), Railway Traction (HV-1) and E-vehicle/ E-Rickshaw Charging Stations (LV-6/HV-8) has not been changed.
7. No Metering Charges shall be levied to the consumers.
8. To incentivise Domestic category Consumers, there will be a rebate of 0.50% for online bill payment without any ceiling.

Existing Rebates retained by the Commission in this order

9. Rebate / Incentives applicable for new and existing HT/EHT connections, conversion of existing LT Industrial/Non-domestic connection to corresponding HT connection, captive power plant consumers and Open Access Consumers shall be continued without any change and extended for FY 2022-23.
10. Rebates / Incentives for pre-paid metering, advance bill payments, prompt bill payments, online payment, Load Factor, Power Factor and TOD shall be continued without any change.
